## “A Chance to Soar”<sup>©</sup>

We came with expectations and with our private walls  
 We found support and courage and dared to risk it all.  
 Through hours of fun and laughter  
 We learned to live as friends;  
 And those we came to know and love  
 We'll remember 'til the end.  
 You are all a part of us, spread through the land.  
 Building friendships, special trust,  
 Bound together hand in hand.  
 Tomorrow is an open door inviting you and me,  
 Giving us a chance to soar and wings to set us free.
